

Carpool Etiquette

DO...

- Let your fellow carpoolers know if **you're running late**.
- Let your carpool partners know in advance if **you're not able** to carpool on a certain day.
- Drive **safely** at all times!
- Keep your vehicle **clean** and in **good condition**.
- **Respect** any conditions your carpool has agreed on—no smoking, eating in the car, etc...

DON'T...

- Make a **habit** of being late.
- Ask your carpoolers to make **extra stops** along the way for personal errands. Carpooling is meant to help people with their commutes.
- Bring up **controversial** topics (i.e. religion, politics).
- Have **lengthy conversations** on your cell phone.
